2009 Annual Survey

- # of Stakeholders = 120
- # of Fueling Sites = 4
- # of Vehicles = 55
- Total GGEs Displaced = **5,389 gal**

- Use the Annual Survey as source of information
- Stakeholder re-definition
- Addition of fueling site and renovation of others
- Ethanol fueling site closed and flex-fuel vehicles removed

- Focus on outreach over past year
 - Earth Day Event: “Driving Alternative Transportation”
 - Clean Fuel Symposium
 - Panel discussions: fuels, infrastructure & policy
 - Clean Energy Expo
 - Vehicle displays; Clean Cities representation
 - Fuel neutrality
 - LPG, CNG, Electric, Hydrogen, Solar, Biodiesel

- NOTE: Don't feel like you need to cover each item above. Please select the area(s) you want to highlight, keeping in mind your 10 minute time limit.

- Coalition rating: 8
 - Strengths: reputable network and established expertise
 - Weaknesses: transitional period, reorganization underway
- Coordinator rating: 8
 - Strengths: economics background, event planning experience
 - Weaknesses: too much work, too little time!
- We could use help finding fleet contacts & teaming up with regional projects.

- Infrastructure projects
- Paid stakeholders
